EXPERIENCE

Apple Inc.

Cupertino, CA
UI | UX Consumer Apps
Product Design Intern
Summer 2016
Job Description TBD

Google Inc. | Nest Labs

Palo Alto, CA
UX | UI Design Intern
Fall 2015
Design and explore current and new user experiences with pixel perfect visuals, interactions, and animations for both iOS and Android devices for the Nest App. Came up with new concept ideas and design explorations for future Nest products. Worked closely with a wide range of teams including Creative Product Marketing, Industrial Design, and Engineering Teams

eBay Inc. | StubHub

San Francisco, CA
UX | UI Design Intern
Summer 2015
Hybrid designer working on the new brand refresh project; concept and explore a new visual design system and creating new user experiences across all multiple platforms (web, mobile iOS and Android, including wearables devices). Create new standards and assets that would match the new brand style guide. This would be used across all platforms and teams including Creative Marketing for events.

Jane Beauty, Inc.

New Orleans, LA
UX | UI Designer
2013–2015
Design a new shopping website that is responsive across multiple platforms. Make online shopping a fun and easy experience with simple smooth step transactions on the go.
